

# The Art and Science of Mounting Small Minerals

**JOINT PSM/LEIDY MEETING AT DELAWARE  
COUNTY INSTITUTE OF SCIENCE – SATURDAY  
11 MAY 2024, 9:30 AM TO 12PM**

## Learn How to Make Micromounts

We will begin with a brief history of Micromounting followed by a description of how to make mounts and the required supplies. The students will then make their own micromounts at the direction of experienced teachers.

Please register by email at [info.delcoscience@gmail.com](mailto:info.delcoscience@gmail.com). We can accommodate approximately 15 students (9 yrs. old minimum). For more information and directions see [Delaware County Institute of Science | Home \(delcoscience.org\)](http://Delaware County Institute of Science | Home (delcoscience.org)). DCIS, 11 Veterans Square, Media PA 19063
